integraSoft specializes in building modern websites for equipment rental businesses.

- Basic, Advanced, & Pro Packages
- SEO-Focused Websites
- Detailed Monthly Reporting
- eRental Integration-Ready
- Mobile Adaptability
- Custom Graphic Design

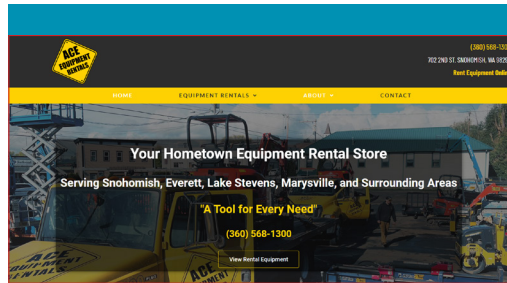

BASIC

Optimized for rental businesses, this package includes everything you need to start renting online.

Example: www.rentalsolutions.pro

5 pages

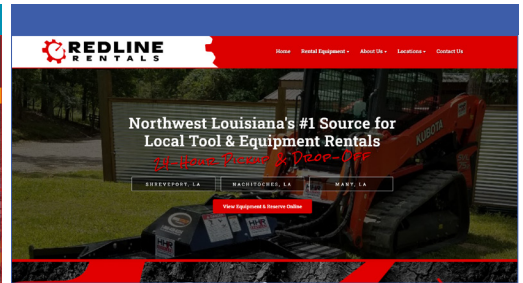

ADVANCED

Enhanced user experience features, custom graphic design, and increased content for search engine optimization.

Example: www.aceequipmentrentals.com

10 pages

PRO

Professionally designed websites tailored to suit, no matter the size or scope of your business needs.

Example: www.irentred.com

Unlimited pages

WEBSITE MAINTENANCE

WEBSITE MANAGEMENT SUBSCRIPTION

Keep your site current, plugins updated, and request minor changes like text, images, or pop-ups with seasonal/special messaging on-demand. Larger updates such as layout, formatting, or redesigns will need to be custom quoted. Receive an automated Google Analytics email sent to you monthly.

WEBSITE SERVICE HOURS PACK

Get 10 hours, that never expire, to be used for any updates or training on how to get the most from your new website. Use these hours for SEO work or text, image, layout, new pages, blog creation, and more. Get training on how to use WordPress so you can make changes or post blogs on your own.
