WEBSITE MAINTENANCE

WEBSITE MANAGEMENT SUBSCRIPTION

Keep your site current, plugins updated, and request minor changes like text, images, or seasonal/special pop-ups with specific messaging on-demand. Larger updates such as layout, formatting, or redesigns will require custom quoting. Receive an automated website reporting email sent to you monthly.

WEBSITE SERVICE HOURS PACK

Get 10 hours that never expire to be used for any updates or training on how to get the most from your new website. Use these hours for SEO work, text, image, or layout changes, new pages, blog creation, and more. Get training on how to use WordPress so you can make changes or post blogs on your own.

For more information, or for a free website consultation, contact our sales team today!
